

## COMMITTED TO SAFETY

No job is so important, and no service is so urgent that we cannot take the time to perform our work safely. CP&O has a responsibility to our families, employees, and company to perform our duties in a safe and efficient manner. Safety is at the core of our operation, a practice that puts our people and the environment first.

## HISTORY & EXPERIENCE

The Cooper Group

Established in 1905, The Cooper Group has operations on all three U.S. coasts and internationally.

The company maintains ownership in numerous subsidiary and affiliate companies, including warehousing, terminal operations, tugboats, push boats, barging, barge fleet, floating terminals, logistics, marine & timberlands, vessel repair and restaurants.

Ports America, founded in 1922, is the largest independent marine terminal operator and stevedore company in the U.S. The company currently operates in more than 42 ports and 80 locations.

Ceres Terminals was founded in Chicago in 1958, and expanded general cargo stevedoring into the Great Lakes Region. Ceres currently operates in 20 ports around North America, investing in nine terminal investments, and joint ventures.
